

# REVIVAL IS NOW

## VERSE 1

I can hear a sound of worship rising in the earth  
I can see the song of heaven like bright lights breaking through  
Our hearts will forever sing Hallelujah  
Our song will forever be Holy, Holy  
Holy, Holy

## VERSE 2

I can hear a generation with fire in their bones  
I can see a new horizon with an army on the move  
Our song will forever be Hallelujah  
Our hearts will forever sing Holy, Holy

## CHORUS

I see the Lord rushing like a flood  
Washing every fear away, a river of His love  
Awakening has begun  
Revival is now

I see the Lord high and lifted up  
Stirring up wildfire, His Spirit on the move  
Awakening has begun  
Revival is now

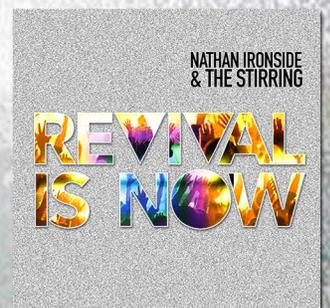

## BRIDGE

Oh oh oh, You are Holy  
Oh oh oh, You are Holy

## VERSE 3

I can see a fresh anointing , revival has a name  
Christ the King of Glory , the only one who saves  
Our song will forever be Hallelujah  
Our hearts will forever sing Holy, Holy
